

## **MISSION SUNDAY – November 21<sup>st</sup>, 2010**

Join the entire St. James family for a day of mission service on Sunday November 21st. We are hoping to involve the entire congregation so we have a number of choices available for all abilities, talents, and skill levels. The preschool through middle school age kids will prepare cards, gift bags, and craft kits for **Caitlin's Smiles**. Senior high students will be heading to the **Ronald McDonald House** in Hershey to prepare and serve a brunch for the families staying there. Adults can choose among some different activities including assisting with home repair projects coordinated by **Greater Harrisburg Habitat for Humanity**, work on comfort dolls or prayer shawls with **One Common Thread**, help sort food at **New Hope Ministries** or for the bakers in the church, bake pumpkin pies for **St. Francis Soup Kitchen**.

The day will begin at St. James with a continental breakfast at 8:00 AM to be followed by prayer, hymns, and the offering. Afterwards we will break into groups based on your selected mission event and share our many blessings outside the walls of St. James. Child care will be provided until noon. We ask that one parent of pre-school participants remain with their child and assist with their event. Sign-up sheets for all of the activities are in the hallway. Please sign up for a project Sunday, November 7 or 14 so we can prepare supplies for each project/location. Information about the various groups we will be helping is on display in the hallway by the sign-up sheets.
